PINA NEWS

NEXT PEAKS ISLAND NEIGHBORHOOD ASSOCIATION GENERAL MEETING:
Tuesday, March 21, 7:30 PM at the Community Center

The JANUARY GENERAL MEETING of PINA featured a description by City of Portland Attorney Gary Wood of the legal requirements for Peaks to secede from the city, with a presentation of the likely *calendar of important actions along the way*. *Island Independence Committee Facilitator Mike Richards* commented, as did City Councillor Will Gorham, State Representative Boyd Marley, and several islanders.

The essential steps for secession are:

1. A petition requesting a public hearing signed by more than 50% of registered voters in the secession territory (Peaks Island and House Island) is submitted to the City of Portland. This petition was submitted on January 6.
2. The City Council holds one or more public hearings chaired by a moderator. It is hoped that the moderator will be chosen by mutual agreement. The petitioners must make a formal presentation including a description of the problems that led to the petition and a written report on the impact of the secession on property taxes in both the secession territory and the rest of the city. It is desirable that a written presentation and a city response be made public before any hearing.
3. An advisory referendum is held within the secession territory, hopefully in June. The City Council may also hold a referendum in the rest of the city.
4. If the advisory referendum passes, the City Council votes for or against secession.
5. *If the City Council votes for secession, secession legislation is submitted to the Legislature.*
6. If the City Council votes against secession, efforts are made to resolve disputed issues. If necessary, a mediator is retained and a mediation report is submitted to the Legislature within six months.
7. Unless the secession petition is withdrawn, the secession decision is made by the Legislature.

PINA DOES NOT SUPPORT OR OPPOSE SECESSION FROM THE CITY OF PORTLAND. It sees this issue as of vital importance for Peaks Islanders and therefore is providing a forum in which all positions on the question may be presented.

There are now three levels of PINA membership, basic member for two dollars, friend of PINA for five dollars, and PINA patron for ten dollars. We invite you to visit the new PINA WEBSITE, www.PinaInfo.org, a source of information about past, present, and future activities of PINA as well as other island activities.

The Steering Committee will have its bi-monthly meeting on Tuesday, February 21, at 7 P.M. at the Community Center.

Peaks Island Tax Assistance (PITA)

Are you ready to beat the winter blues by adding some fun to your life? An old fashioned, fun filled Winter Carnival is coming to Peaks Island during February vacation week. Peaks Island Tax Assistance started the ball rolling with other groups and businesses joining in. An Identify Your Neighbor Contest will be posted on the Peaks Cafe wall. Come see just how well you know your fellow islanders by their eyes only. An evening ice skating party followed by hot chocolate will kick off Monday night. Wednesday evening will include a spaghetti supper and Kids' Craft Night at the Baptist Church. There will be two seatings: one from 5pm till 6pm, and the second from 6:30pm till 7:30pm.

Peaks Island Land Preserve is working on an outdoor event. The city road crew is leaving Linden Avenue (off Tolman Heights) for a great tobogganing run. A snow sculpture contest will be a work in progress all week. On Friday evening the Ladies Auxilliary of the American Legion will be hosting a dinner. The culmination will be Saturday night with a dance at Jones Landing. Hors d'oeuvres and music appealing to everyone will be on tap. Line up a baby sitter early 'cause you don't want to miss this one. Tickets will be for sale at the Peaks Cafe with the proceeds benefiting the Peaks Island Tax Assistance. All events throughout the week will either be free or reasonably priced so everybody can join in.

Look for posters in the usual spots for weekly updates.

On a more serious note, City of Portland Property Tax Bills will be coming out this month, and once again, Peaks Island Tax Assistance is prepared to assist homeowners with tax payments. If you need tax assistance or know of someone on the island who may need tax assistance, please pick up a form at the Peaks Island Library, Health Center, or Peaks island Cafe.. You will also find an application as an insert in the **February Island Times**. All applications must be received on or before February 24, so that taxes may be paid to the City of Portland on time.

Shep Johnson, retired Methodist Minister; Casey Collins, Minister of Brackett Church; Ruth Williamson, retired United Methodist Minister; Lincoln Stelk, retired Episcopal Minister, and Sam McCain, retired Episcopal Minister are helping with the application process. You may contact one of them to file the request. The Clergy will determine eligibility based only on need, and all homeowners will be given equal consideration and treatment. Only the clergy will know the names of the applicants. Complete confidentiality is maintained throughout the process. All payments for tax assistance will be made directly to the City of Portland. Peaks Island School

There is much mid-winter news to share from our wonderful school as we approach February! As a culmination of their multicultural studies, our primary students have been celebrating the Chinese New Year. With the guidance of parent Jean Hoffman, our kindergartners learned and painted beautiful Chinese characters representing numbers and months as one of their many fun and educational experiences. Along with other cross-curricula activities, grades K-2 created spectacular Chinese zodiac booklets with parent Kathy Hanley. Walking into their classrooms feels like one is on a trip to far away lands with colorful displays of art, writing, and the sounds of music from cultures around the world.

Understanding the importance of energy consumption, conservation, and alternative sources has been the focus of our intermediate grades' science studies. Following much preparation by their classroom teachers, grades 3-5 worked with outreach leaders from the Maine Energy Education Program (MEEP) at our school on January 19. Beginning with a lively debate on comparing types of energy sources, the students spent an amazing day constructing apple generators to test the conductivity of various metals, used wind turbines to illuminate LED lights, and powered fans through solar power. The hands-on day ended with all students competing in teams during a game of Jeopardy that included the categories of fossil fuels, renewable energy sources, and electricity. Their understanding and transfer of knowledge was extraordinary and, I, for one, was relieved not to be competing! MEEP will return shortly to work with our students on collective ways to make our school more energy efficient.

Peaks Islander Doug Smith is highlighted in the Portland Magazine Winter Guide 2006. Doug is the illustrator of Wicked and Son of a Witch, books by Gregory Maguire that tell of continuing adventures in the Land of Oz. The library has both books and we subscribe to Portland Magazine. Come check them out!

The first and second graders from Peaks Island School were here in January for their monthly visit. As part of the program we planned for them, which related to the book we read, Mike the Mailman arrived with a letter for each child. Then they each read their letter aloud to the group and had to find a book that was mentioned in their letter. First, thank you to Mike for delivering the letters. His timing was perfect and the kids enjoyed seeing him. We also want everyone to know what good readers the kids are. Their poise, their vocabulary, their sounding out skills, and their comprehension amazed us. When we wrote the letters, we wondered whether we were shooting to far over their heads. Not a chance!

First Tuesdays Book Discussion will meet February 7 at 7 PM to discuss *When the Emperor Was Divine* by Julie Otsuka. For March 7, there are two books: *Truth and Beauty*, a novel by Ann Patchett, and *Autobiography of a Face*, the true story on which the novel is based, by Lucy Grealy. Everyone is welcome. The library has copies of the books. Give us a call if you would like to reserve one.

Home Delivery: the library will try to arrange home delivery for parents of sick children, anyone who is sick, and those who cannot or should not come out under icy conditions. Just give us a ring, tell us what you want, and we usually can work it out. We can select books, movies, or magazines for those who want us to.

E-mail: It has come to our attention recently that there are people who would appreciate being able to send us an e-mail, requesting us to get books for them or to place reserves on popular titles. The address for that is peaks@portland.lib.me.us

Children's Programs continue with PreSchool Story Time on Fridays at 10:15 and Nursery Rhyme Time for Infants and Toddlers on Wednesdays and Fridays at 11:15.

ISLAND INDEPENDENCE COMMITTEE NEWS

The City Clerk has verified the signatures on the Petition for Public Hearing and will schedule the hearing, probably in March, to discuss the need for secession, pros and cons of self-governance, other possible solutions, and the tax impact on the island and city.

The Island Independence Committee (IIC) continues to meet on the 1st and 3rd Thursdays of each month at 7 p.m. at the Community Center. Everyone is welcome to attend and participate in the discussions and decisions regarding Peaks Island governing itself.

January 5th meeting: The IIC discussed participation of Peaks Islanders in submitting the Petitions for Public Hearing to the City Clerk, preparing for the upcoming Education Forum, participating in the PINA forum on secession process, finalizing the IIC Newsletter, and improving the IIC website.

January 6th: A delegation of islanders brought the signed petitions to City Hall and turned them over to the Clerk for verification.

January 12th Education Forum: Mike Langella and Lynne Richard presented a detailed financial analysis of what it will cost the Town of Peaks Island to educate its children. Attendees discussed the issues and asked to expand the inquiry to school improvements.

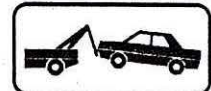

January 19th meeting: The IIC discussed feedback on the Education Forum, improving future forums, improving communications among islanders regarding self-government, joining PI Tax Assistance group with Winter Carnival fundraisers, drafting by-laws for the IIC, and preparing for the public hearing before the Portland City Council.

CALENDAR: February 2 @ 7 p.m. – IIC Steering Committee Meeting

February 16 @ 7 p.m. – IIC General Meeting
