Influenza Report from the Health Center

Kitty hasn't seen a case of influenza – yet.

The most important recommendations surrounding the flu:

1. The flu vaccine is still recommended, until the beginning of March, as the best preventive measure. PIHC has the vaccine available.
2. Wash your hands frequently.
3. Consider medical treatment to attenuate severity. Early flu symptoms: sudden or excessive fatigue, body aches and chills, persistent cough, sore throat, fever, GI upset. These symptoms are much the same as a cold, but they can escalate quickly. Children and people who are medically compromised are especially vulnerable.
4. Stay at home. If you become sick with the flu, you can spread it for up to 10 days.

Peaks Island Fund

The Peaks Island Fund is working this winter to make the spring grant application process easier and clearer for island non-profits. Look for a much shorter application! And March 17th we will again hold our breakfast for island non-profits to learn about the fund and new programs we are offering, ask questions about applying and meet fund advisors. More details to come in the February STAR.

FRIENDS OF TEIA

The Board of Friends of TEIA thanks all in the Peaks Island Community, our local Businesses and TEIA members who donated to Friends of TEIA's Campership Fall Appeal in 2017. Last summer 46 island children received camperships and participated in TEIA's camps of sailing, tennis, kids camp and the preteen programs learning new skills and making new friends. It could not happen without your generosity.

Over the next months look for information in the STAR about Friends 2018. You may also contact Stephanie at sealights99@aol.com to answer any questions.

PEAKS ISLAND TAX AND ENERGY ASSISTANCE

Forecasters predicted a cold and snowy winter but did those who predict the weather really mean it would be this cold! PITEA has received a few more energy requests than normal but we are prepared to assist all Islanders who need help to pay their energy bills. Last fall we raised the amount of energy specified on each application to \$325 to meet the rising cost of energy. \$300 just did not buy enough oil, propane or diesel fuel.

Last December we received some wonderful donations from year-round and summer residents that will certainly help us to meet Islanders request for assistance. Our January Soup and Salad Loaf and Ladle Dinner was a rousing success and raised \$536.50! THANK YOU to PITEA Board Members and Barnabas Johnson who provided all the food. We all had such a good evening with plenty of delicious food and good company. Folks even arrived after watching the Patriots game!

Calling all artists! Painters, sculptors, potters, drawers, printmakers, photographers, authors - PITEA is teaming up with Brackett Church to host a fundraiser, "Art and Appetizers" on Monday evening, Feb. 12. Would you like to participate by adding a piece or two of your art for which you would receive 60% of the selling price. The artists will set minimum bid). PITEA and Brackett Church would each receive 20%. With a few paintings and prints that have been donated over the past several years PLUS your work we hope to have an exciting live auction (Todd Remage-Healy has volunteered to be the auctioneer!!). For more information please call Tookie Harris (518-9532, Doug Smith (766-3015) or Megan Selby (561-358-6809). Watch for more information!

PITEA would like to thank Pastor Angela Rotherham and the members of the Brackett Memorial Church for opening their social hall for us to hold our fundraisers. We are so grateful and do appreciate their generosity.

Tax bills will be sent out in February. We anticipate a few more requests because of the budget busting costs of energy. Applications will be available at the Peaks Island Library and must be approved by the Clergy before March 3 so that we can go to City Hall and pay the property tax bills.

As always, neighbors or friends may fill out energy or tax forms if they believe that families are in need and give the applications to one of our clergy who have taken on the responsibility of approving requests for assistance. We will never be able to thank them enough for their help.

Please remember that our police officers and firemen are more than willing to do wellness checks. Give them a call if you are concerned about a neighbor on the Island. It is so important that we watch out for one another.

Thank you for all of your help. It takes all of our villagers to make Peaks such a great place to live.

Cynthia Pedlikin 766-0067

HOMESTART NEWS

First, a big Thank You to the generous Peaks community for your response to our end of year appeal. You got us to our goal of \$4500, which means we can do some needed renovations on our property at 18 Luther St.

Also, now that the City Housing Committee has been appointed for 2018, we are working with them to get our zoning proposals reviewed and hopefully implemented this year, with the support of our City Councilor Belinda Ray. We will certainly keep Peaks Islanders informed of the steps along the way. A first step is meeting with City Planning Director Jeff Levine at the end of January.

If you have comments, questions or concerns, feel free to contact any of our Board: Bill Hall, Laura Reading, Betsey Remage-Healey, Chris Roberts, or Tim Wyant. Our emails are listed on our website, www.Peakshomestart.org.

PEAKS ISLAND CHILDREN'S WORKSHOP: 71 Herman Avenue: 766-2854
www.picw.org

**THE PEAKS ISLAND CHILDREN'S WORKSHOP WILL BE CLOSED
FEBRUARY 19TH IN OBSERVANCE OF PRESIDENTS' DAY**

PICW would like to say thank you to Ms. Ryan-Humphrey for having the pre-kindergarten class join her and her students for recess and lunch last month.

January brought unusually cold weather but our students stayed toasty warm inside learning about winter animals and playing in their ice fishing/igloo center. The pre-kindergarten class started their writing unit by learning about the beginning, middle and end of stories and each child has picked an animal to create and write a story about. While in our infant and toddler room, the littles have continued to work on their independence and growth by moving to the "Big Kid" table for meals and working on learning how to dress and undress themselves when they go outside to play.

This month we will be bringing back one of our favorite units, Letters of Love. If you would like to participate and write a special message to a child in our care, you can send your letters to PO Box 80.

PICW is accepting applications for part/full time care on our WAIT-LIST. Contact Katie at office@picw.org for an application. The Board of the PICW is always open to suggestions and communication from the community. Please contact us through Board Chair, Judy Nelson at kirshajak@maine.rr.com
