Peaks Island Taxi

The numbers are in! The Island Transportation System would like to thank Peaks Islanders for their continued support of the Taxi. The Taxi has increased its ridership by almost 1000 passengers since 2012 and 65% of these riders have been Islanders. We are delivering 50% more pizzas, boxes of groceries, packages, etc. to your homes. The Taxi has been important in helping our Seniors to be more mobile on their Island. We have assisted those who use the Loretta Voyer Fund tickets for treatment of cancer and other medical life altering treatments in Portland by driving them to the Ferry free of charge and on time.

The new Taxi has used less gas and, hopefully, has had an impact on reducing the carbon emissions and congestion down front on the Island. Please contact us at 518-0000 if we can assist you in any of your transportation needs. The Taxi operates 7 days and evenings a week from 7:45 a.m. to 8:45 p.m. We are also available after hours by appointment. Remember, it helps the Taxi drivers if you call in plenty of time for a pickup to the boat. We try to meet every boat when it arrives from Portland during our operating hours.

Thank you for helping us to **“Keep the Wheels Rollin”!**

Peaks Island Elementary School

At this rate with snow days, we may still be going to school in July! It has been a cold and snowy winter, but the students have made the best of it. February vacation got an early start because of snowstorm activity.

Now that students are back from vacation, we are looking forward to a Celebration of Learning on Thursday, February 27th from 6: 15-7:15 PM. Students will display the work they have been doing on projects this winter. Parents, families, and the general public are invited.

On Tuesday, March 4th at 7:00 PM, the fourth and fifth graders have been invited to join the Peaks Island Library Book Discussion Group to talk about a book called *Wonder*. It is a touching novel about a boy with special challenges who attends school for the first time in 5th grade. We hope you will join us for a discussion of this book.

Spring will bring a resumption of the WeatherBlur project with Maggie Small and the Island Institute, as well as work on mapping invasive plant species on the Back Shore, near Battery Steele. We also have a field trip planned to Merrill Auditorium in early April for grades K-3 to see a show called “We’re Going on a Bear Hunt.”

Peaks Island Health Center
87 Central Ave.

Hours: Monday and Thursday: 8:30 AM to 3:00 PM

Kitty Gilbert, Family Nurse Practitioner, provides care for all ages.
Please call either **766-2929** or **874-2466** for an appointment.

One of the most important goals of the Health Center Board is to ensure that quality health care is available to the Peaks Island community. In order to do that, once we have found a good provider, we make every effort to listen to Islanders and try to find ways to better serve the community.

Recently, for instance, we learned that some folks would like to have clinic hours later in the afternoon to better accommodate school children. We took this idea to Maine Medical Partners to see if such a change were possible. For now it is not feasible, as it would involve changing many schedules, but the idea will be kept in mind as possible someday.

If you have comments and suggestions regarding the Health Center, you might contact a Board member. We are all Island residents who volunteer our time: Marge Powers-President, Chuck Radis-Vice President, Connie Hurley and Kay Taylor-Co-Secretaries, Nelson Hill-Treasurer, and Sandy Langella, Jane Banquer, Janine Blatt, Stephanie Castle, Vonnie Fieldsend, Bud Higgins, Jon Kelso, Carol Kinney, Kathy McCarthy, Karen Petersen and Priscilla Webster. We would like to hear from you.

PEAKS ISLAND TAX AND ENERGY ASSISTANCE (PITEA)

March is here and we hope the month will bring warmer temperatures and less snow. Even though we are anticipating warmer weather we still know there are some cold days ahead. This is Maine!

Property taxes are due March 14th. Tax season is particularly difficult for some and high energy costs and extremely cold and snowy weather have overwhelmed others. This has been another tough year for some of our neighbors. Our goal has been to help all who apply for tax or energy assistance and to keep our friends and neighbors in their homes. Please contact one of our clergy if you need assistance: Pastor Beau Boyle, Pastor Angela Tarbox, Retired Minister Ruth Williams. Energy Assistance is available year round. There are applications for Tax or Energy Assistance on the Library bulletin board.

Islanders had an opportunity to step out on Saturday, February 22 when Bill Cooley and the Cool Breeze played their music at the Legion. What a wonderful evening! Along with the music the band donated the cover charges, \$443, to PITEA. They have our heartfelt thanks and those of all Islanders who support PITEA.

Our Loaf and Ladle Dinner will be Sunday, March 23 from 5-7 p.m. at the Peaks Island Baptist Church hall. Our menu will include some surprises including recipes for St. Patrick's Day (a little corned beef perhaps) as we celebrate the arrival of spring. We promise great food at a very reasonable price! You will definitely enjoy the meal, the lively conversation, and the chance to visit with friends. The desserts that Charles Burr brings are worth the price of admission.

PITEA is an ongoing fundraising project. The donations of Islanders throughout the year plus our fundraising events continue to keep us afloat. We will continue to exist as long as our assistance is necessary.

The Peaks Island Community Food Pantry

The Peaks Island Community Food Pantry is truly a community effort, with donations and support provided by many different individuals and organizations from Peaks Island. As part of the Peaks Island Council initiative to provide boat tickets to year-round residents in need, the Food Pantry now has a few senior, child and adult boat tickets available for distribution.

We are located at the Brackett Memorial Church and our opening hours are:

Mondays — 3:30 — 5pm

Thursdays — 9:30 — 11am

The Peaks Island Food Pantry would like to thank Maggie Small, our Island Institute Fellow and a member of Americorps, for organizing a very successful fundraiser to benefit the food pantry. Maggie established what we hope will be an annual event, a community-wide food drive culminating with a pot luck supper at the Peaks Island Elementary School, as a Martin Luther King Day of Service event. The project raised over \$500 in cash donations and approximately 400 pounds of food donations. We would also like to thank the staff at the Peaks Island School for hosting the event, the school families for their delicious cooking and all of the Peaks Island community members who attended and made donations. Thank you all!

We are extremely grateful for any donations of non-perishable food and toiletry items (no out of date food items, please). We have a collection box located in the Douglas MacVane Community Center — aka the library—or bring donations directly to the food pantry during opening hours. **Our current needs are: Peanut butter, grape jelly, canned ham or chicken breast, canned fruit or vegetables, boxes of flavored rice mixes, pasta, pasta sauce, toilet paper.**

Cash donations are especially helpful as it allows us to provide clients with \$20 Hannigan's vouchers for fresh fruit, vegetables, bakery, dairy and meat items. **You can now make checks out directly to: Peaks Island Food Pantry.** People who wish to make tax-deductible donations should make checks out to Brackett Memorial Church and write "FOOD PANTRY" in the memo line. Please call Susan Hanley, 766-2735, for more information, to request food drop off, or to arrange donation pick up.

Peaks Island Community Emergency Response Team (CERT)

**Our Portland Fire Department continues to work with the
Island CERT to help islanders during a disaster.**

But we still need more volunteers!

**Learn about how you can help. Join us at our monthly meeting
March 17th at 6:15 PM in the Community Center.**

For more information, call Al Bleau at 766-0007 or 781-962-2662.

KidsCamp Counselor in Training Program

The TEIA Youth Program has created a Counselor-in-Training position for tweens and teens entering 7th-9th grades in the fall of 2014. Our CIT (Counselor-in-Training) position is a part-time leadership program for tweens and teens interested in working with some of our youngest campers in the youth program. The CIT will be paired with an older counselor and will work with our campers in KidsCamp. They will play with the children, help with snack time, assist the older counselors, lend a hand during transitions, and serve as general big buddies and role models for the children they work with.

Being a CIT is a great way for tweens and teens to practice leadership, learn about child development, and get experience working with young children. Time spent volunteering with this program will earn CITs (ages 12 and 13 years old) community service hours, and at the end of the summer they will be provided with a letter documenting their hours and responsibilities. All CITs are expected to treat this position as if it were a job, showing up diligently for shifts, communicating effectively with their supervisor, and working responsibly and maturely with our campers.

Each CIT must spend a minimum of two weeks at KidsCamp. We ask for this time frame to have consistency with our campers. You may apply to work more than two weeks though that is not guaranteed. KidsCamp is held on Tuesdays through Fridays, 9a.m. to noon, July 1st through the week of August 11th. The last day of KidsCamp is Friday, August 15th.

ALL CITs must attend a training session prior to working. The date and time will be arranged.

Spots are limited. To apply, please email Kelly.sheehan05@gmail.com to request an application. Once the application is completed, send it with a letter of reference to Kelly Sheehan 398 Pomfret Street, Pomfret, CT 06258. Once the application is complete, CITs will be contacted to set up a brief interview prior to being selected for the program. **Applications are due by April 1, 2014.**

If you have any questions, please do not hesitate to contact me.

PEAKS ENVIRONMENTAL ACTION TEAM

What else besides the ice pond might we have been taking for granted as a shared resource that will always ensure our quality of life on Peaks Island?

Did you know that the so-called Trott-Littlejohn Park has never, in fact, been designated by Portland as a park?

Are you aware that Casco Bay Lines advertises that taking a car over on the ferry is a bargain for tourists as compared to parking it in Portland?

Do you know what zoning regulations govern buildings and businesses down front?

Do you know what protection exists to keep Picnic Point wild and untouched?

**Bring your questions and ideas to a PEAT meeting
At the community room on March 13
At 7:00 p.m.**

Representatives from

Keep Portland Livable and Protect Portland Parks will each give a short presentation about their work. Our willingness to hear their ideas and benefit from their experiences is in no way an endorsement of either group. We think, however, that islanders can learn from discussing the similarities and differences between their experience on the mainland and ours on Peaks.

**The two presentations will be followed by a discussion of our goals in
maintaining the quality of life that distinguishes Peaks Island**
