The warmer weather is awakening the ticks, and it's time to pay attention. Dogs and cats need their protection, and so do you and your children. Tick-borne diseases, including Lyme, are on the rise in the Northeast, including Maine, and yes, on our island. Among suggestions of things you can do to avoid a tick bite are: tuck long pants into socks when in the woods and check yourself and your family members daily for ticks. The Health Center has bookmarks with tick facts including tick identification, and tick removal. Stop by and pick one up.

**Peaks Island Tax and Energy Assistance**

The lovely month of May is here. Friends and neighbors will begin returning to the Island. The trees and bushes should start showing their finery and the Island is (slowly) returning to Spring/Summer mode.. The Portland City Council is working on the budget for 2015-2016. The legislature and the Portland City Council are working on budgets that will impact us all. Some will definitely result in a rise in property taxes. PITEA will need to rev up our fundraising goals. Our goal of helping to keep our neighbors on Peaks is one of our missions. And we do intend to keep working – Neighbors Helping Neighbors.

We are still receiving requests for energy assistance. The winter of 2014-2015 will be remembered for the cold and snow and the resulting effect on our fuel bills. We are hanging on by a wing and a prayer. Thank you to those who donated to Energy and allowed us to finish out the year. We still need donations because more bills will come in before the summer begins.

Our May Loaf and Ladle will feature hot dogs, turkey burgers, and hamburgers with side dishes appropriate for this backyard cookout. Come and enjoy some down home cooking! Join us Sunday evening, May 17<sup>th</sup> at the Peaks Island Baptist Church Hall from 5-7 p.m. Bring your family, friends and neighbors! Adults - \$7 and children \$2.50.

If you wish to make a monetary contribution you may do so by mailing it to: PITEA % Diane Clark, P O Box 126 , Peaks Island, ME 04108.

If you would like to join PITEA, please call Cynthia Pedlikin at 766-0067. We meet once a month for one hour only. We need you! Our mission is so worthwhile but we do need more people to join our initiative. Come and share your ideas and suggestions for PITEA.

## Fifth Maine Museum - 2015 Season

The Fifth Maine is ready for a new season! Please join us for our Opening Day Celebration on Saturday, May 16.

At 11:00 am, all are invited for a Museum Open House, and we will offer a free guided museum tour "For Islanders, by Islanders."

At 12:30 there will be a children's craft table and home-baked goodies and lemonade, followed by a period-music sing-along with the Peaks Island Ukes at 1:15.

At 4:00, come for our first historic presentation of the season: *The Night the Sky Turned Red: The Great Portland Fire*, by Allan Levinsky. This program is free admission.

On Memorial Day Weekend, we will open at our regular schedule, and many exciting and fun events are planned for the season. Our spring newsletter will be out soon, containing a brochure of all our summer events, but there are more ways to find out what we are doing! Check out the local bulletin boards, Carol Eisenburg's list, the community calendar at [www.peaksisland.info](http://www.peaksisland.info), NextDoor, and of course, our website – which is always your BEST source of information.

### May at the Peaks Island Branch Library

in the Community Building 766-5540 email [peaks@portland.lib.me.us](mailto:peaks@portland.lib.me.us)  
Hours Open: Tues 2-8 Wed 10-4 Fri 10-2 Sat 8-12

**Many of you have asked about where the library renovation stands.** By now most people should have received a letter from the Portland Public Library outlining the budget for the renovation. This letter reiterates the Library's firm commitment to the project and explains that while the City was not able to commit funding to the project this year because of Police and Fire communications updates needed, we believe the project is in a strong position when we reapply next year. The letter and budget are reprinted in full in this STAR, for those who have not seen it.

**Middle School Book Club:** Next meeting will be Tuesday, May 19th at 5:45 pm. If you are coming from the 5:35 pm boat just stop in and join us. At our last meeting we met Kelley Blue, the teen librarian with the Portland Public Library. Our conversations around books was great. She listened to us and told us about books and authors we might also enjoy. The good news is she wants to come back! Look for new teen audiobooks, DVDs, and books that will soon be on the shelves in our library.

**First Tuesdays Book Discussion:** On May 5<sup>th</sup>, the Peaks Island School fourth and fifth graders will join the group for a discussion of *The Boy on the Wooden Box, a Memoir* by Leon Leyson. If you are a parent who has a child in those classes, you may want to attend. For the meeting on June 2, the book will be *Norwegian Night* by Derek Miller. Books for July and August, when meetings will be at TEIA, are *All the Light We Cannot See* by Anthony Doerr and *Boys in the Boat* by Daniel Brown, both highly recommended by all who have read them. To reserve a library copy of either of any books, come in, call or email the library. Meetings begin at 7 pm in the Community Room.

**Nursery Rhyme Time:** for infants and toddlers at 10:15 on Wednesdays.

**PreSchool Story Time:** Fridays at 10:15. All island children and visitors are welcome.

ENRICHING OUR COMMUNITY, EXPANDING OUR WORLD.

April 2015

Dear Peaks Island community members,

Many of you attended the public forum last fall to offer input on the plan for the renovation of the Peaks Island Branch Library and community room, and it was inspiring to see so many people come together and express their dedication to these shared spaces. We all came away from the forum energized by how this project might serve the current and future needs of all Peaks Islanders.

We are writing to update you on the status of the project, to reaffirm the Library's commitment to this endeavor, and to describe some of the next steps we will be taking.

Since the forum, a committee of islanders, PPL staff, and City Recreation Division staff has continued to refine a renovation plan that is both creative in its vision and practical in its scope. (Those plans are still posted for comment in the Library lobby.) The proposed plan will improve energy efficiency and make all spaces – untouched since 1979 – more functional.

The budget for this project is on the reverse of this letter. During the City's Capital Improvement Projects (CIP) process, we requested \$500,000 of support, planning to raise the remainder through gifts and grants. This year, the City must grapple with a critical and costly upgrade to emergency communications systems, so most other projects, including the Peaks renovation, will have to wait until next year for consideration.

While disappointing, we believe this delay will allow us to build additional support for the project that will help us in the competitive CIP process. We are encouraged by the broad support the project has from Peaks residents, individual City Councilors, and our partners in the Recreation Division. The Library's Board and staff remain committed to this undertaking, and City has already been notified that the Library intends to resubmit the project for CIP consideration this fall. We have also shared with the City that the Library and our committee will spend the next eight months engaging proactively with the Peaks Island community to deepen commitment to the renovation.

You will hear more from us in the coming months about how to help support and advocate for this exciting project. We look forward to working with all of you to realize the vision of an "island living room" where all Peaks Island residents can come together and feel welcomed, engaged, and informed.

Sincerely,

Stephen J. Podgajny, Executive Director  
Portland Public Library

Kathryn Moxhay, President  
Friends of Peaks Island Library
