## DO YOU HAVE BOOKS TO DONATE?

The annual **BOOK SALE**, sponsored by The Friends of the Peaks Island Library, will be Saturday, July 21, 2001, 8 a.m. to 3 p.m. in the Community Room. We would love your book donations, especially children's books, CDs and video tapes. Also spare bags. We will be setting up and sorting books in the community room the day before the sale, Friday, July 20, between 4 p.m. and 7 p.m. so please drop them off then. If you need other arrangements or would like to volunteer to help, call Rhonda at 2483 or email [brhonda1@maine.rr.com](mailto:brhonda1@maine.rr.com) Thank you for your support!

## FROM THE POLICE DEPARTMENT

With the warmer weather finally here, we would like to remind everyone that you need to get a fire permit to burn anywhere on the island. With the shortage of rain, fire permits across the state have been suspended, when we get a substantial amount of rain, we will be able to give out permits.

Bikes are out, does your child have a helmet? Remind your child of bike safety, we are seeing some children riding double on bikes that are made for one rider.

Dogs should be leashed and licensed, is your dog?

Watch out for traffic, this is the time of year when our summer visitors start to come back to the island. We are running radar in an effort to keep the speed on the island safe. The speed limit anywhere on the island is 20 mph, except by the school when the school is in session, there it is 15 mph.

Enjoy this sunshine.

### Peaks Island Land Preserve

The PILP spaghetti dinner on May 11th, at Brackett Memorial Church, celebrated our new conservation easement on 98 acres of Peaks Island. It was a lively, well attended affair. Some PILP members and some newcomers too signed up to help in the near future to collect 'basic data' on land which PILP owns or holds in easement. This includes making clear the boundaries, walking and documenting trails, describing the terrain, the vegetation, the marshlands, etc. We also need to clean up debris. Volunteers for task forces are very welcome. The next PILP board meeting is on June 6, at 6:15 pm, at the Brackett Memorial Church. We hope to set some dates for this work, then, so come if you can. Or call Liz Loewald at 766-4461 for information.

Three members of the Oceanside Conservation Trust came to the island on May 8, as they do once a year, to inspect (and admire!) Battery Steele. Two members of the PILP board went along. As you may know, Battery Steele is owned by PILP, and OCT holds its conservation easement.

### Summer Book Discussion

There will be a Summer Book Discussion open to all on three Tuesday evenings at 7 pm at the TEIA clubhouse in July and August. The Book Discussion is a cooperative effort of the Trefethen-Evergreen Improvement Association (TEIA) and the Friends of the Peaks Island Library.

The dates are July 10 (for Plainsong by Kent Haruf), July 31 (for Master and Commander by Patrick O'Brian), and August 14 (for House of Mirth by Edith Wharton). There will be sign-up sheets with a brief description for each book at both the Library and at TEIA. When you sign up, please indicate if you would be willing to help lead the discussion. Depending on how many sign up, those attending may divide into smaller groups so everyone will have a chance to speak and be heard. There will be refreshments, and volunteers to help with those are also welcome.

For more information, check at the library or call Monica Freeman (766-2010).

## **PEAKS ISLAND NEIGHBORHOOD ASSOCIATION NEWS**

The general membership met on May 8. Charles Enders and Arthur Fink were elected to fill the unexpired terms of two former Steering Committee members, Marianne Jaffe and Suellen Roberts. Volunteers are needed to serve on a nominating committee for the election in August to replace outgoing members Bob Hurley and Don Webster. Island Institute Fellow James Essex reported on the "Peaks Island Mapping Project." James detailed the use of modern software to create an up-to-date data base combining various topographical maps and aerial photography. "Layers of information" depict such things as high/low tide markings, roads, trails, wetlands, buildings, parcels, zoning, and land in conservation. The Island Institute will continue as a partner with Peaks and the city of Portland to keep the data current and to make information available to citizens. A joint meeting on June 20 (6:30PM at Brackett Church) between PINA and the Peaks Island Land Preserve will explore the potential value, task definition, and skill sets for another Island Institute fellow to follow James. Peaks Elementary School Principal Barbara Hoppin spoke about a pending \$592,000 grant which will, if approved, provide a number of school and community services. "Project Joy" (Joining Old and Young in Lifelong Learning) is designed to: (1) enrich before & after school programs, (2) address teenage and other student behavioral problems, (3) provide a physical and emotional wellness program for seniors, children, etc., (4) start an adult education program (computer skills, etc.), and (5) deal with other situations unique to island living. The next meeting of the Steering Committee will be Tuesday, June 12 at 7:00 PM. in the Community Center.

## Loretta Voyer Fund

The Loretta Voyer Fund was created in November 2000 for the purpose of transporting individuals who are undergoing chemotherapy. Island volunteers will provide a door-to-door service, via car ferry, to and from the treatment facility. Already it has been used and we need your continued support.

The following islanders are committed to initiating and executing this project: Judy Baldi, Claire Filliettaz, Patty Gardner, Jerry Garman, Rita Johnson, Deborah Kendall, Monique Levesque, Kathleen McCarthy, Judy Piawlock, and Suellen Roberts.

All islanders are invited to participate in this endeavor, be it with vehicle, as driver, companion, or with tax-deductible monetary gifts to help defray expenses. Please call Claire or Monique (766-2220) or write to: The Loretta Voyer Fund, 13 Greenwood Street, Peaks Island ME 04108. Peaks Islanders have always been a generous and supportive group. ## Creativity

Students and adult creativity both at our Peaks Island School and in our community never ceases to amaze me. We are busy planning for next year but also enjoying the finish of a very creative and productive year.

We'd like to share some of our creativity. We invite the community to our Music Show on Tuesday evening, June 12<sup>th</sup> at 6:45PM and of course to the fifth grade graduation on Monday, June 25<sup>th</sup> at 9:45AM.

Meanwhile, here is another piece of the students' creative efforts that the LEAD group sang with the seniors at their luncheon.

### This Island Is Your Island

This land is your land, this land is my land,  
From the city of Portland, to our own Peaks Island,  
From Greenwood Gardens to Battery Steele,  
This island was made for you and me.

While I was walking, along Snake Alley,  
I saw above me, a towering birch tree,  
I saw below me, a little garter snake,  
This island was made for you and me.

This island is your island, this island is my island,  
From the ferry dock, to the Fifth of Maine,  
From the ice-cream store, to the Peaks Island School,  
This island was made for you and me.

### PEAKS ISLAND CHILDRENS WORKSHOP

Many hands make light work! The Facilities Committee thanks all the volunteers who were able to donate their time for our annual Clean-Up day on May 19<sup>th</sup>. The weather was most cooperative. We were able to wash all windows, in and out, rake and clean the playground, sand and refinish our decks and railings, paint our vestibule and enjoy fresh baked muffins, blueberry coffee cake, and great company all in three hours! WHEW!!

The Board of Directors is pleased to announce that Colleen O'Halloran has been hired as the new Executive Director of the Workshop. Colleen is currently working as Associate School Age Director at the Greater Portland YMCA. She will be working with and learning from Janine from June 18<sup>th</sup> through June 29<sup>th</sup> and will begin her responsibilities on June 30<sup>th</sup>.

The Workshop was recently presented with a Certificate of Appreciation on Early Childhood Professionals Day from Cumberland County ACCESS for our **29 years** of continued involvement with the children in our community and we thank them for acknowledging our professionalism! We would also like to thank those parents who thoughtfully gave us cards to show their appreciation for the care we provide for their children. It's nice to be appreciated!

The Workshop will be offering CPR and First Aid training through the American Heart Association sometime in June if we can get a group together. The cost will be \$10.00. Contact Jon Kelso here at 766-2854 if you are interested.

The Food Pantry, located in our building, is open during our hours of operation Mon.-Fri. from 7a.m. to 6p.m.
