## Peaks Island Elementary School

We are looking forward to a positive and exciting year as we prepare to tackle challenging curriculum and welcome several new staff members to our team.

Our Kindergarten/First Grade class has Zoë Ryan Humphrey leading our youngest students into their academic careers. Zoë studied art at UC Santa Cruz and recently finished initial teaching certification coursework through USM. Zoë's favorite pastimes include knitting, sewing and/or gallivanting around the greater Portland area with her dog family!

Nicola Donatelli is our new teacher in Grades 4 and 5. Nicola has several years of teaching experience over a span of grade levels. She lives in Portland with her daughter Greta, who is a student at Lyman Moore Middle School. Nicola is an avid bicyclist and runner.

We also are welcoming new Specialists in Physical Education and Music. Phil Skillings (not totally new to us) has returned to Peaks and Cliff Island Schools to help us maintain our fitness levels. Bridget Kazukiewicz is our Music teacher and already has our students smiling and dancing on Thursday mornings! Faith York will soon have our School Chorus group practicing early on Friday mornings.

Diane Ricciotti is our second shift custodian, though she is really second to none!

Returning regular staff shall not be ignored here: Charlie Marengi leads our Grade Two and Three classes, Donna Holden provides individualized student services, Ljubica Forkapic and Kathryn Smith provide extra supports, Sally Mitchell is here for Art instruction, Rebecca Lynch Nichols delivers Spanish instruction, Pamela Richards runs our office, and watch for Angela Volger in her various roles as our Head Custodian, Food Services person, and our Van Driver providing transportation for students, staff, and those impressive new white coolers carrying our temperature controlled lunch items!

## PEAKS ISLAND TAX AND ENERGY ASSISTANCE

Those pesky political ads just keep playing over and over again on the television. We will all need a chance to spend a month or so without these ads before they will start up again for 2016. Of course, we are extraordinarily fortunate to live in a country where freedom abounds. We also live in a country where some of our neighbors and friends still need a little assistance to keep their homes warm, to provide food for their tables and to provide a roof over their heads. For the last ten years PITEA has been assisting families with heat and property taxes. We are prepared to do so again this year.

Once we get past these elections we can really begin to look at the news articles which give us information about the heating season, taxes, health care, etc. The news about energy prices is most important to us. PITEA is always hoping that the cost of energy will go down. As we prepare for another busy winter and an increased number of requests for assistance. Expenditures for energy assistance are the largest part of our budget. We will be holding Loaf and Ladle Dinners, applying for some funding, requesting assistance from islanders and looking for ways to raise money over the next year. Applications for energy assistance are on the Library bulletin board. Our Clergy, Pastor Beau Boyle, Pastor Angela Tarbox and retired Methodist Minister Ruth Williamson are accepting applications and making the final decisions about Energy Assistance.

In October we will hold our Comfort Food Loaf and Ladle Dinner.. Each of the PITEA members brings along a new dish to share and those who attend are treated to a wonderful array of foods.. WE hope you will join us on Sunday, October 21st, from 5-7 p.m. at the Peaks Island Baptist Church Hall. The cost is just \$7 per adult and \$2.50 for children. Every dollar we earn is used for energy assistance.

Many of our friends and neighbors have decided to sell their homes and move off the Island. Each of them has contributed so much to make this Island a wonderful place to live. We will be wishing Stan and Judy Piawlock farewell as they move to Buxton to be nearer to their children and grandchildren, I cannot think of any committee or charity on Peaks that has not benefited from their help. Judy has done so much including running the Island Taxi where she spent so many hours setting up the schedule, getting drivers, getting the proper papers from the City and taking care of the vehicle including getting the permits for the Island Taxi. For the Pedlikins she was one of the first people we met on the island and she kept us busy and introduced us to so many facets of Island life. She joined PITEA and has made her mark as to how we manage our dinners and getting our two summer dinners on track. We do hope that Judy and Stan will come to our dinners and to our fundraising activities here on Peaks.

If you have any questions or would like to join our committee, please call Cynthia at 766-0067. We hope to see you on the 20<sup>th</sup>. Bring along your neighbors and enjoy a delicious dinner all prepared for you. We even do the dishes!
