The Peaks Island Community Food Pantry

The Peaks Island Community Food Pantry is truly a community effort, with donations and support provided by many different individuals and organizations from Peaks Island. Our mission is to provide food assistance to our island neighbors in need.

We are housed in the Brackett Memorial Church and are open on Mondays at 3:30–5pm.

The Peaks Island Food Pantry is very excited to announce the launch of our new website (www.peaksislandfoodpantry.org).

We'll be using this website to post news and provide information about helping people who face food insecurity. We are now able to accept cash donations from our website -- through a link to our PayPal account.

Thanks to the Peaks Island Fund for providing the financial support required to create this website and special thanks to Dave Gagne and Mark Shain for their expertise and guidance on this project!

This month we would also like to extend our thanks to:

- St. Christopher's parishioners for their weekly collection of food items for the food pantry
- Standard Baking for their weekly donation of bread and pastries
- The many Peaks Island gardeners who have provided fresh vegetables during the summer months
- Our "Food Pantry Angels" who donate food items each week in our collection box at The Douglas McVane Community Center

Medical Equipment Lending Program

Anyone who needs to borrow wheelchairs, walkers, crutches and other medical equipment temporarily should know about the new program from the Health Center and St. Christopher's Parish.

The equipment, stored in the St. Christopher's Parish House, is provided on a first come, first served basis at no charge. Borrowers are asked to indicate when they plan to return it and also relieve the program of any liability.

PEAKS ISLAND TAX AND ENERGY ASSISTANCE

Everyday we are reminded that we are extraordinarily fortunate to live in a country where freedom abounds and most of us have heat, food, etc. But we are reminded that some of our neighbors and friends still need a little assistance to keep their homes warm, to provide food for their tables and to provide a roof over their heads. For the last ten years PITEA has been assisting families with heat and property taxes. We are prepared to do so again this year.

The news about energy prices is most important to us. As we prepare for another busy winter and an increased number of requests for assistance we note that the cost of energy is down.. Expenditures for energy assistance are the largest part of our budget. Those on fixed incomes continue to struggle because so many other budget items increased including property taxes. We had seven applications for tax assistance this year that definitely was a record number. Applications for energy assistance will be going on the Library bulletin board. Our Clergy, Pastor Angela Tarbox and retired Methodist Minister Ruth Williamson are accepting applications and making the final decisions about Energy Assistance.

Our Board of Directors will be meeting to plan for new types of gatherings that we will initiate. We would love to continue the Loaf and Ladle Dinners but we do not have the manpower to do so. We definitely need committee members or volunteers to help us with our planning and our community functions. If you would like to join in our efforts, please contact Cynthia at 766-0067.

Our two dinners over the summer were very successful. A huge thank you to Robin Clark for allowing us to use Jones Landing. It was the perfect venue for our dinners. Our friend Judy Piawlock was able to get us the lobsters and worked with us at the dinner. Other friends joined us to help with the dinners. Other community members made financial conations to PITEA and we are prepared to start the energy season with funds in the bank!

A gift of fitness for Peaks Island Elementary School

By Renee Serio, Teacher Leader

Peaks Island Elementary School would like to shout a huge THANK YOU to John Pearson and Maine Track Club who hosted the Peaks Island Road Race earlier this summer and donated a very generous gift to our school.

On July 25th, John Pearson and Maine Track Club hosted their 28th 5 mile road race around the perimeter of the island. In addition, the Peaks Island Road Race added a 1K fun run for kids. For the second year running, Pierson and the Maine Track Club have made a sizeable donation to our school in memory of longtime resident, AJ Alves.

This donation comes with one condition—that the money is invested in the physical well-being of the island children. Therefore, Renee Serio and new PE teacher Todd Wing are creating an inventory of existing gym equipment with the plan to retire, replace, and refurbish the physical education equipment for the island school.

Peaks Island Health Center

**Hours: Monday, Wednesday and Friday
8:30 AM to 3:00 PM**

Kitty Gilbert, Family Nurse Practitioner, provides care for all ages.
Please call either **766-2929** or **874-2466** for an appointment.

Now that we are welcoming the fall season, we would like to take this opportunity to welcome those of you who are new to Peaks Island, either as renters or homeowners. If you wish to become Health Center patients, please stop by our modern facility at 87 Central Ave. during hours, and the staff will be glad to help you.

It is important to know that the Health Center can provide acute care (short-term treatment of an injury or illness) to patients who have Primary Care Physicians in other practices. If you wish to have the option of using the Health Center and are not affiliated with Maine Medical Center (as the Health Center is), please check with your insurer before an incident arises, to avoid any coverage issues. As a rule, Medicare patients may see whom they wish.

Patients who have no insurance are also welcome to use the Health Center. The Peaks Island staff can give you information regarding contacts at Maine Med./Partners who can assist you with payment options. And they will be glad to answer any questions you may have.

We are very fortunate to have such a dedicated professional staff, and are grateful for the solid resources of Maine Medical Center in support of our Health Center on Peaks Island.

We have been enjoying the beautiful weather and spending lots of time on our playground this Fall. We are winding down our *All About Me* Unit with a visit to the Peaks Health Center to be weighed and measured. Also, for the first time in many years we have found Monarch caterpillars on the milk weed! We have been reading *The Very Hungry Caterpillar* by Eric Carle and studying what happens next.

The Workshop children have started going back to the library for rhyme time and story time on Wednesdays. It has been fantastic and we look forward to the adventure every week. You will probably see us out and about this fall as we go for nature walks to watch the changing leaves. Feel free to stop and stay hello, we love engaging with our island neighbors!
