Members of the Post at the time of receiving the Charter (11/20/31) were:

Anton W. Jenson
Thomas A. Flanagan
Oscar C. Seabury
William C. O'Keefe
John A. Libby
William A. Sterling
Ralph R. Pettingill
David F. Mahoney
William J. Berryman
George C. Randall

Harry Files
William M. Doane
Victor N. Chambers
Daniel F. Corcoran
Willard D. Butterfield
Floyd H. Austin
Harold A. Clark
Frank H. Finney
Walter L. Stevens

Vincent Mountford
Walter T. Randall*
Ronald J. Tolford
Charles Townsend
Morrill W. Jones
Cyril D. Hill
Harry S. McLean
Harold J. Miller
Eben W. Haskell

The last section of these venerable Charter Members was assigned to permanent stations at the Post Eternal as called:

William L. Berryman, June 25, 1983
Walter T. Randall, January 8, 1985
Harry W. Files, October 18, 1985
Ralph R. Pettingill, March 13, 1986

The closing date and time on the purchase of the "Wilson property" by the Legion Post is not available at this writing, but, a letter dated April 29, 1937 from the Manufacturers National Bank, acknowledges receipt of $200.00 from the Treasurer of the Post Home, Albert G. McCann, as down payment on the agreed purchase price.

Also, what appears to be a serious effort toward Department Post managerial efficiency, we find a letter from the office of Attorney James L. Boyle (Adjutant, American Legion, Dept. of Maine) dated 4/3/37, stating "BY virtue of this action, your Post is a corporation dating from April 3, 1937."

Events were taking place quickly. Post activities were becoming more frequent and varied. Interest and enthusiasm appear to have risen to new levels, as indicated by the comparison of "end of year" statements, 1938 and 1939, by Historian Frank Chamberlain. He was an eloquent speaker.

Donations to the printing of January's STAR: Lion's Club, Ed & Pearl Williams, Mardianne Green, Phyllis LaClaire, Anon1. Thank you.
Attention to all who use Rosemont Pharmacy delivery to Peaks****

Starting January 13, Bayview Market will be distributing prescriptions that come from Rosemont Pharmacy. Hopefully, this will be a greater convenience for those who use this service, allowing more available hours and weekend access. Thank you, Bayview Market!!

New Prescription Protocol

1. Responsibilities of Bayview Market
   (1.) Distribution of prescriptions

2. Responsibilities of Islands Health Center
   (1.) Phone in Rx to Rosemont
   (2.) OK refills when appropriate

3. Responsibilities of Patient
   (1.) Call Rosemont or the Health Center if any questions regarding medication.
   (2.) Payment to Rosemont Pharmacy for Rx.
   (3.) Call Rosemont if any questions regarding bill.
   (4.) Pick up prescription at Bayview Market.
   (5.) Call Rosemont Pharmacy if any questions as to when prescription will be coming to Peaks.

A New Year's wish to you from us... 
...A Healthy and Prosperous 1988...!

Peaks Island Library

Notice our beautiful shiny new book drop! A big thank you to Bob Spear, who turned an old mail box into a book drop much nicer than the one we had before. So the destruction of our old one has had a happy ending after all. Thanks also to all of you who didn't leave library books outside the library while we didn't have a book drop; very few people left books on the sidewalk.

Anyone who is shut in during this cold, slippery time--please call us if you would like us to bring you some books. Lorraine has a car and Bob likes to take walks, and it would be our pleasure to deliver some books to you.

Two more big thank yous--to Avner Eisenberg and to the Peaks Island Lions Club, both of whom have given the library very generous gifts of money to buy books.

More new books and records all the time! Pretty soon we'll have cassette tapes too (audio tapes, not video).

Don't forget--Pre-school story hour, Wed. 10:15; after school movies, Tues. 3:15.

--Bob and Lorraine
NEWS FROM THE PEAKS ISLAND CHILD DEVELOPMENT CENTER

We have many people in our community to thank for making our daycare holiday a warm and happy one. First the Senior Citizens for the lovely gifts they exchanged with the children. We hope they enjoyed the pinecone birdfeeders the children made. We had some donations which were used to buy new books and toys for our program. Also thanks to the Lions Club for the annual visit from Santa to our island. We had a small party before Christmas and would like to thank Jan Thomas and Christina Hammond for giving us beautiful music on piano and flute. Everyone at the center helped to make a big, colorful pinata, and we all decorated the center.

Good news about our playground shed. It has been completed at SMTI, however, for practical reasons we will delay reconstruction at the playground until weather is more cooperative.

NEWS FROM THE SENIOR CENTER

Twenty one Senior Citizens members enjoyed their annual Christmas party on December 9 at the Community Center. Such a beautiful day, delicious good and good appetites made visiting with our friends a grand success. The children from DayCare came in and received their gifts, plus distributing the lovely pine cone feeders for birds, which they had made for us. It was great!

The next monthly meeting of the Senior Citizens will be on January 20. Meeting at 12:00 noon, pot luck luncheon will follow. Do feel free to join us.

Some of the children from the 4-5 grades of the school, came to the Center and very tastefully decorated our windows for the holiday season. It has caught the eye of many of the passer-bys. Joe O'Gane, Jamie Vail, Jeremy Reef, Beth Kilday, Ella Jenness and Lauren Hayden were the children sharing their talents and good cheer for the holiday season. Thank you.

Meals were delivered to eighteen shut-ins and sick persons on Christmas day, plus giving meals to the noon boat crew. Several volunteered to help in the kitchen and also delivering. We all did "our thing" and things went very smoothly.

May I take this time to thank everyone who has made the Senior Center a place for you all to drop in to say hi. Thanks to Bayview Market, Lions Club, Legion, all the faithful volunteers and all those who have offered a helping hand in case of emergencies. (I hope I have not forgotten anyone.) Just a great big thank you to all and everyone who has helped me in keeping the Center running as smoothly as it always has. (I needed the help.)

A happy and healthy 1988 to you all.

SAFETY TIPS FROM Marge - Island Affairs

Be Aware of children sliding now that there is snow on the ground! Sliders - DO NOT CROSS STREETS when sliding!

Whoever is bending the fire hydrant flags - please straighten them. They are there to help firemen locate and shovel the hydrant following snowfalls.

PEAKS ISLAND MUSIC ASSOCIATION

The Peaks Island Music Association had a delightful Christmas Concert on December 13 and hopes to have it every year on the second Sunday in December. The concert was conducted and directed by Nancy Hoffman. The association gratefully thanks her and the following people for their help and support. The entire community, Rev. Delena Gilman and the members of the Brackett Memorial United Methodist Church, Jan Sullivan, Sherry Warner, Emily Brosius, Eileen, Tom, Bo and Katie Yoder, and thanks to Barbara Goelman, Ruth Sargent, Lorraine Spear, Danny Mills and Jan Thomas. Watch for Announcement of the Spring Concert under the direction of Jan Thomas.

Portland Public Schools
PEAKS ISLAND SCHOOL
Portland, Maine 04108

The morning and afternoon Kindergarten and Early Kindergarten classes will spend a day enjoying Winter. We will have a sliding time on Peaks Island, with hot chocolate when we get back to school.

First graders are studying about Penguins. Second graders are working on a unit about Baby Bears and putting together a booklet with stories and illustrations.

The third grade is practicing "trading" with three digit numbers. 2nd - 3rd are learning to tell time. 2nd - 3rd wrote wonderful outer space adventure stories. They also wrote their New Year Resolutions. The class is learning about Martin Luther King, Jr. and we are looking forward to an all-school commemoration of his birthday on Thursday, January 14.

Fourth graders are studying animal adaptations in science. Fifth graders have been studying the classifications and groupings of animals. Animal projects are being done by each student to share with classmates. A field trip to the Maine Aquarium in Saco is planned. The next edition of our school newspaper Islander will soon be completed.
