PEAKS ISLAND LIBRARY NEWS

Before you leave this summer or start your busy fall schedule, please take a minute to drop by the Library and look at our exhibit of artwork from the children of Tasmania. It is a culmination of a six month project that the Peaks Island Library did this last winter with the Explorer Group - 4 and 5 graders of the Peaks Island School - Laurie Bent, Jessica Roberts, Josh Johnston, Lionel Plante, Mike Kilday, Ramona Stoddard, Melissa Smith, Nikki Borlowsky, Andrea Voyer, Mike Chandler, & Corey Rumons. It was an "Island to Island" idea . . to connect by pen pal and art two Islands - one on the 45th parallel north and the other on about the 45th parallel south & on opposite sides of the world.

Getting everything coordinated was a bit harder than anticipated with Tasmania having summer vacation during our winter but after much waiting and a joint letter to their unknown pen pals the Peaks Island Explorers received 8 map cases - about 80 pictures - two days after school was let out. On the backs of each picture where the Children's addresses, interests, hobbies, families, hobbies, etc:

The art is really very beautiful and it shows us a view of Tasmania we may never see. Stop in and look before September 5.

I want to thank some hard working volunteers, Ann Cereste, Nancy Rubenstein, Virginia Stone, for giving up some of their vacation time to come in and type, shelf books and re-arrange our shelves. Whatever time they had to offer was worth it to us. Thank You.

The Peaks Island Library Boosters sponsored their first social event last Saturday, August 13. Author Bob Reiss, who wrote the novel Casco Deception, was present at an informal Wine & Cheese party between 5 & 7. We had a good turn out, about 80 people, and Bob Reiss was able to speak with everyone and autograph his book. Mr. Reiss was very pleased with the warm reception he received about his book.

Booster Vice-President Mardianne Green organized the whole affair and did a wonderful job. Anita Dobbins was helpful with refreshments, the center piece and being on hand to help out. Thank you to all who did help but were not able to attend.

In September, the week of the 5th, the Library will change to the Fall hours.

Tuesday 12 - 8
Wednesday 10 - 4
Thursday 5 - 8
Saturday 10 - 1

REMEMBER this Saturday, August 20 from 10 - 2 at the Community Building there will be a Book and Bake sale to benefit the Library. Book donations are welcome as are baked goods. Please call the Library before Saturday, 766-5540. A membership table will be set up to all who would like to join the Peaks Island Library Boosters.

CHECK OUT A COMPUTER AT YOUR LOCAL LIBRARY

Our Peaks Island Library is one of the first in the country to offer computer check out as a part of their community information services.

A COMMODORE VIC20 has been donated to the library computer center by the Peaks Island Computer Society from funds raised by the first computer class.

Library patrons may borrow the computer beginning after Labor Day. The computer comes with a simple switch (TV or computer) which allows you to attach it to your TV set as a screen. The beginners User manual and the Reference manual are both included in the loan package.

The period of the loan will be limited to 3 days. Children must be accompanied by their parents to check out the computer. Tuesday and Saturday will be computer check out day. A one dollar fine will be charged each day the computer is overdue.

DONATIONS TO THIS MONTH'S PEAKS ISLAND STAR received from Cleo Webber, Ed Williams and Anon. Thank you so much!
The Peaks Island Association will hold its membership dinner at the Cockeyed Gull the last part of August.

The Peaks Island Star is in its third year of publication. It is still sponsored by the Peaks Island Branch Library and its editors are Marianna Rowe and Louise Capizzo with assists from the Peaks Island Child Development Center, the Lions Club, the American Legion and other service agencies and organizations of the Island. It has been a most successful venture, carrying out its aim of keeping Peaks Islanders informed of what is happening on their Island month by month. It is distributed free of charge thanks mostly to generous donations from individuals and organizations, who continue to feel the "Star" is a contribution to the community. In this way we are able to distribute them to shut-ins, the Meals-on-Wheels program, families of Day Care children and parents of school children, as well as making them available in Island stores.

Lorraine Spear is now taking charge of contributions and donations to the printing fund. She has been mailing "The Star" to summer visitors, who wish to keep up with Island winter activities. We are sorry for some confusion we had last summer and that requests were not filled. With Lorraine in charge we know all will be well. Please leave postage of $2.00 for 10 issues in a sealed envelope at the Peaks Island Library with your winter address enclosed and Mrs. Spear will be sure that you get yours.

Peaks Island School Opens

S.T.A.R. Community Gardeners

Potluck dinner & Ruth Stout's Gardening movie on Thursday, August 25 at 6:30 p.m. in the Community Room. A great way for all gardening enthusiasts to get together and share garden produce.

The STAR Community Gardeners is open to anyone interested in small or large scale gardening who does not have available space in their own back yard to grow all the wonderful vegetables and/or flowers they love best. There are crops planted for individual members and their families to harvest as well as a large tomato and pepper crop planted as a cash crop - soon to be available for sale in the community.

Please join us on the 25th and bring a dish to share.

FAMILY MEDICINE ASSOCIATES

It is difficult for us to believe that we are starting our second year in practice on Peaks Island at the clinic. We wish to thank all the residents of the island, both year round and summer, for their warm reception of Family Medicine Associates. We have had a busy year and have had the pleasure of getting to know more and more people here every day, and, hopefully, filling the medical needs of many. You may be sure that we will make every endeavor to continue to give the best possible quality time and attention to all here at the clinic.

In an effort to have even more coverage here by doctors, we are happy to announce that Dr. John Johansson is joining us as of August 17 and will be here on Wednesday and Thursday afternoons. This will give us doctors who will be here every day but Saturday and Sunday, at which time, of course, Dr. Bohworts and Dr. Kazilionis are on call as usual. Just a reminder that a call to our phone 766-2929 will put you in touch with one of them in an emergency.

Our present schedule is as follows:

<table>

24-hour Emergency Phone Number is 766-2929

Our pharmacy continues to be busy and a great convenience to all. We are happy to fill all prescriptions here.

PEAKS ISLAND DENTAL CLINIC

We will have another dentist joining Dr. Dan Steinke as of August 18, Wayne Lopez, D. D. S. Dr. Lopez has an established dental practice in Gorham and will be out here on Thursday afternoons. Dr. Steinke will still be here on Tuesdays and Joyce Duffy, Hygienist, will be here on Saturdays. All will be by appointment only, so please call 766-2445 in order to make dental appointments.

As you can see from all of this, this is going to be an even busier little building on Sterling Street in our concern for contributing to the overall well-being of the inhabitants of Peaks Island.
