July events -- Continued on Pg. 4--
PEAKS ISLAND CHILD DEVELOPMENT CENTER NEWS

The Center has planned several fundraising events in the next two months. The money raised from these events helps to meet operating costs and demonstrates strong local support to our funding sources. They are also lots of fun; please come!

* Friday, June 8, 6:30 p.m. -- Pot Luck Supper at the Center. This is a joint effort with St. Christopher's Parish to raise $ to buy screens for the building. Lots of good food at reasonable price. Come and bring a dish.

* Friday, June 29, 8 p.m. at the Parish Hall -- Schooner Fare Concert. Tickets: $8.00 in advance, $8.50 at the door. We need volunteers to help with P.R., set-up, clean-up, tickets, concession, etc. Contact John Capizzo (766-2854 or 766-4466) if you would like to help.

* Saturday, July 7, 2 p.m. -- Auction at the Fifth Maine Building. We need organizational help both before the event (picking up and finding items and services) and the day of the event. Call Ellen Klain (766-3344) or Sue Pedersen (766-5015) if you have items and services to donate or if you can help in any way.

The children were really delighted with the lovely Maybaskets made by the Senior Citizens and the Women's Council. It was a special May Day treat for them.

We also enjoyed a recent concert at the elementary school by the King Middle School Band. The students in the band outnumbered the Island students, but that only made it more impressive. The Center children really love the opportunity to go to the "Big School" for any event. We appreciate being invited.

The children will certainly miss Mrs. Rowe at Story Hour when she retires in June, but we hope she will stay in involved and come to see us often.

Ruth Griffin, Reporter

PEAKS ISLAND LIBRARY NEWS!

The Library is taking donations of books. Those books that you just hate to throw away, if they are in readable condition, please just drop them at the Library during our Hours Open, or call and set up an appointment for a convenient time. (766-5540).

Library Hours: 
Tuesday 12 - 8
Wednesday 10 - 4
Thursday 5 - 8
Saturday 10 - 1

The Library will be having a BOOK SALE in early summer

On June 9 we will have an OPEN HOUSE at the Library from 10 - 1. It is to celebrate our sixth year open. It will give everyone a chance to look at our collection, ask questions, see what will be happening for the summer and just a chance to visit. The Library has had a good six years to grow and I hope we will have a better six ahead. Come join us to thank you for keeping us going.

Remember Saturday June 9th from 10 a.m. to 1 p.m.!

August events such as the Community Theatre; penny auction; Children's Art Exhibit will be featured in next month's Peaks Island Star.
PEAKS ISLAND SCHOOL NEWS

As the end of a very busy school year approaches, the students and staff of Pekas Island School are just as busy as ever:

Kindergarten - May 22  Children's Museum
May 24  7:30 p.m. Meeting for parents of Kindergarten children
         for 1984-1985. The Gesell Developmental Screening
         and Class at Peaks will be discussed.
June  4  Cliff Island
Grade 1  May 18  Dairy Festival at Deering Oaks
Grade 5  May 24  a day at King Middle School
All Grades May 23  Officer Friendly "Stranger Danger"
May 28  No School - Memorial Day
May 30  7 p.m. Spring Art-Music-Gym Show
May 31  End of TV Turn-Off!
June  1  Concert by Grade 5 Band from Lyseth-Riverton Schools
June  7  City Track Meet
June 16  PTO Carnival
June 15  or 18  Bike Clinic
June 20  Last Day for students

The TV Turn-Off is progressing better than our most optimistic expectations. The students are maintaining their commitments to the experiment. We are extremely pleased with this fantastic response and realize we owe a great deal of thanks to all of you who are supporting this valuable experience.

Pat Whitney

STAR GARDENERS NOTES

As surely as there is always a spring, there will always be tenders of the earth known as gardeners and with no exception, the STAR Gardeners are already preparing for the growing season ahead. For readers who are not familiar:

STAR Gardeners is a collective of people who organized as volunteers to grow crops at the Battery Steele site owned by the STAR Foundation. STAR Foundation had designed and built two greenhouses on the land and offered the use of the surrounding grounds to the community for garden space.

The club is presently reorganizing for the coming season and encouraging new membership. There will be a STAR Gardeners membership meeting, Saturday, May 26, at Battery Steele - rain or shine. Please join us in offering our community the fruits of its harvest.

Call Bob Linscott, Gardening Supervisor, at 766-2695 for more information.

PEAKS ISLAND STAR NEWSLETTER

Next month's issue of the Peaks Island Star (the June issue) will have a more complete \textbf{mixtape} calendar of Peaks Island Summer Events. So please get any dates you may want to have publicized in by the deadline, June 15th. Also, we will have a special listing of services and businesses for the information of our summer friends. Let us know in writing what you would like to have us print. Bring it in to the Peaks Island Library (See Summer Hours) or drop it in Book Return Box outside or call at (766-5540). A small donation to the printing fund is all we ask.
Summer is approaching on leaden feet and we are all still fighting the cold rainy weather which we hope will soon be over. With the coming of a new season, we also will be having a few changes at the health center about which everyone has probably heard some rumors.

First of all, Dr. Schwartz is leaving on June 30 due to the fact that he has accepted a position as Chief of Family Practice in the Chicago College of Osteopathic Medicine. In this role he will be responsible for the patient care of the Department of Family Practice, with 130 full and part-time physician members as well as the responsibility for the family practice activity of medical students, interns, and residents at the hospital and clinics of the Chicago College of Osteopathic Medicine. It is obvious that in this capacity, Dr. Schwartz will be very busy, a condition which is certainly not unusual for him. His expertise, compassion, and professionalism will be missed by all of us at the clinic, and we extend our congratulations and sincere good wishes for his happiness in this exciting move.

Dr. Kazilionis will continue to come to the island on Wednesday mornings to see his patients.

Dr. Reardon will be leaving the clinic early in June to become affiliated with the Cleveland Clinic Foundation for a residency in Internal Medicine at that large hospital. We are very excited about this wonderful opportunity for him and we know that all of his friends on the island will miss him.

Not to be left out of the changes going on around here, Dr. Johansson is experiencing a great one in his life. Congratulations to him on his marriage on Memorial Day and very best wishes to him and his new wife. Dr. Johansson will also continue to come to the clinic.

We assure all the islanders that the health center will remain open with full coverage and expect to have an announcement as to the staffing of physicians and new schedule some time around the beginning of June. Until then, we will continue on our regular basis and schedule with Dr. Schwartz and Dr. Kazilionis alternating weeks and on call here for our patients.

Remember our telephone number is 766-2929 for 24 hour coverage.
