PEAKS ISLAND INVESTMENT CLUB

The Peaks Island Investment Club was formed in the Fall of 1985 at the initiation of Eugene Taylor, Robert Tiffany, Lawrence Walden and Robert Miller.

A number of exploratory meetings were held with a great number of people attending from all sections of the Community. The first couple of meetings focused on personal philosophy and reasons for joining an investment club.

The Club was legally formed as a partnership on November 12, 1985 with 14 charter members. The officers were elected as follows: 
Bob Miller, President
Rob Tiffany, Treasurer
Betty Van Wyck, Secretary

Our membership was set within the bylaws at 21 to allow for manageable meetings and recordkeeping. We currently have 17 active members, and look forward to filling the remaining slots.

The monthly meetings are held the first Tuesday of every month at 7:30 P.M. at the P.I. Community Room. The dues are $20.00 per month per partner. The agenda usually includes some form of a report by a selected member on a particular industry or stock. Recent meetings have included reports on the pulp and paper industry, local Maine companies, venture capital groups, chemical and oil stocks as well as a visit from Robert Davidson, a broker from the Portland brokerage firm of A.G. Edwards & Sons, Inc.

If anyone is interested in joining the group, our next meeting is Tuesday, October 7th at 7:30 p.m. at the Community Room, or contact one of the officers mentioned above.

The portfolio of stocks the club now holds has done well - after all, this may be an educational experience for most of us, but ultimately we do want to make some money rather than lose it!

This past summer of 1986 was great. Thanks to our students and Parents for their wonderful cooperation and to our enthusiastic Peaks Island audience for their support. VHS tapes of the show, My Fair Lady are now available through the studio, only $10. (They would make great Christmas gifts.) The recipients for the 1986 season were Lauren Bryant, Trinity College in Washington D.C., Connie Colley received the $100 scholarship. Connie will be studying at U.M. Gorham. We wish them well. This year we started a new award. An Introduction to Music. Melissa Saunders received this award and studied piano during the summer months under the direction of Neil Tyson.

Our Christmas show starts off our new season with "Babes in Toyland." A season classic for all ages. Sponsored by St. Christopher’s women’s Council for their Annual Christmas Coffee on December 7, 1986. A fall Mini Fair is planned for Saturday, October 11 from 11 a.m. - 3 p.m. Cooked food, gifts, toys, dancers boutique, luncheon special. All proceeds to benefit our Education & Music Scholarships and to help our Theatrical Fund. Happy Season to All.

PEAKS ISLAND TAXI NEWS

The Taxi had a few mechanical problems the past couple of months. The Island roads really take a toll on the cab. Please accept my apologies for any inconvenience it has caused you.

I am the only full driver for the taxi. Dennis does fill in for a few evenings a week - and I am grateful for the break. The hours are from 5:30 a.m. until the last boat at 11:30 p.m. I need to have a few hours a day for myself and my family. The taxi will be unavailable from 12:00 p.m. until 2:30 p.m. everyday during the week. Weekends will be a full schedule with Sunday on call all day.

The taxi will not go down to the end of the dock unless there is a passenger that needs the direct access to the boat in the cab or is waiting to be picked up.

Have a good Fall!

HYUN HEE HANDKNITS

Hyun Hee Handknits is a self-help project based in Korea where disadvantaged, refugee, and handicapped women (and a few men) knit sweaters for sale in the U.S. and abroad. Representation in the U.S. has been a Peaks Island business for five years, presently run by Lois Tiedeken. The sweaters are made expertly of the highest quality yarns in classic, contemporary and high-fashion styles. Sales of the sweaters enable the knitters to experience the dignity of providing shelter, clothing, and food for their families.

The Sweaters will be shown at the International Festival at the Expo Building in Portland on November 1 and at the Peaks Island Studio which is open several days this fall for anyone interested in browsing (no obligation)!

In October you may view the sweaters on Saturday October 11 from 11:00 a.m. - 2:00 p.m. and on Thursday October 23 from 9:00 a.m. - Noon.

The Library will be going through some changes during October. Please bear with us during this time.

Our first change is, Story Hour will be cancelled until OCTOBER 15, WEDNESDAY. When we resume story hour will be a bit more structured. We ask that only children ages 3 to 5 years attend and that the parent or caregiver be seated with the child during the program to help keep them under control. I think we will all benefit from this change. It will help me as I choose books to read. We have been having such varied ages that what book would interest a 4 year old is too much for a child of 18 months. If you have any questions please talk to Louise at the library.

Movies after school are still Tuesdays at 3:15, Although in September our projector was broken most of the month but we hope to have everything all set for October 7.

Another Change for us in October will occur on October 18 until the end of the month. The Library’s computer system will be upgraded, we will be replacing it with a newer system. During that time our computer will be shut down those 2 weeks. What does that mean to you??? Not too much. Lorraine and I will be checking out your books by hand again. We also will not be able to find out if the Portland Library owns a book as quickly as now. Plus many more questions will come up during that time. Right now the Library is checking books out for 5 weeks, for the next 3 weeks. As time draws closer the library will have more information in the newspaper to help you. Any questions call 766-5540

Come in and browse.

Until next month.

HELP US SAVE A TRADITION

Many think of Thanksgiving as a time for family gathering but the Pilgrims gathered together as a Community on that first Thanksgiving, to praise God for deliverance through the year. It is this Community Spirit which has made Thanksgiving dinner at the Brackett Memorial Hall a holiday tradition, especially for those on the Island who would otherwise be spending the holiday alone.

As many of you know, for the past 15 years, the Brackett Memorial Church Hall has been aglow with activity on Thanksgiving Day. Blanche Wilder, who chaired this tradition, arrived early and started getting "Thanksgiving Dinner" ready to be delivered to shut-ins and for the Community.

It was a time of great community joy and thanksgiving as many on the Island gathered to share in this tradition. Some came as families (as many as twelve in one family one year) but much more notable is the fact that all of the many people who have attended over the years were there to share the feeling of togetherness which is the real meaning of the holiday.

This local holiday tradition will end this year unless some of you volunteer to carry it on. Perhaps some who have enjoyed past Thanksgiving dinners here will help by cooking a turkey? Or maybe someone who has never attended but likes the idea would be willing to bake some pies. AND LET US HOPE that even more will help in their own way to keep this tradition going.

If you are unable to help with the work your advanced donations can help provide the "fixings" for the volunteers to fix.

PLEASE CALL the Parsonage at 766-5013 or the Goodwins at 766-2629 and volunteer to help save a tradition.
