The City of Portland will hold its annual neighborhood meeting for the Islands on Peaks Island at 7:30PM on Wednesday, October 29, 1986.

The Housing and Community Development Funds are allocated by the Council based on recommendations from the Citizens Advisory Committee and the City Staff. It is an important time for the Islanders to let the City know our needs and wishes for services in the next fiscal year.

A long standing concern of many Islanders has been the lack of adequate emergency equipment and related lack of emergency trained personnel on Peaks Island.

There is a need for structured youth programs for all ages. The City does provide funding for the teen drop-in but it does not go far enough for our youth.

The Peaks Island Child Development Center receives funding for some of its programs. There is always a need for more day care than can be provided by our center. There is a waiting list of over 25 children for an opening now.

There are major concerns related to solid waste removal and road maintenance.

THIS IS YOUR FORMAL OPPORTUNITY TO GO ON RECORD WITH THE CITY. THE TOWN MEETINGS HELD IN THE SPRING AND THE FALL DO NOT PROVIDE ANY REAL AVENUES FOR IMPROVEMENT BECAUSE EACH CITY DEPARTMENT OPERATES WITHIN A BUDGET. THIS IS THE TIME TO HELP SHAPE THOSE BUDGETS AND ENSURE THAT THE CITY RESPONDS TO US.

SEE YOU AT THE COMMUNITY ROOM, PEAKS ISLAND, 7:30PM, 10/29.

The Peaks Island Alternative Government Committee will meet on Tuesday, 10/28/86 at 7:30PM at Bob and Bari Miller's house on Island Avenue on 11/3/86.
NEWS FROM THE PEAKS ISLAND DAY CARE CENTER

It's been fun meeting new parents and children at our Wednesday morning playgroup (10:15 - 11:00). Any child age 0 to 3 years are welcome to bring their parent(s) to play at the Center.

The playground at the corner of Island and Sterling Avenues is part of the Peaks Island Child Development Center. It was developed to improve our program standards. We also recognized a community need and decided to open the playground for community use. We'll be spending the winter redesigning the space and gearing it towards toddlers and preschoolers. We would like to continue our Open policy to the community and need your help and cooperation in order to do that.

Many times we leave the playground because of the number of children in it. Please be sensitive to our need to use the space. If there is a lot of activity in the playground, maybe there would be a better time for you to play there. Check with us -- we like having others in there, yet sometimes it just doesn't work. Also, talk to us about our guidelines, philosophy, and help us supervise and play with the children. Help us pick up the trash and broken glass that inevitably finds its way inside the fence.

To those folks with older, school age children, please talk to them about following our guidelines and listening to childcare staff.

We thank you for your help, cooperation and ongoing support of our program efforts.

Our Open House had a great turnout. If you missed the Open House and would like to pay a visit, please do. Our phone number is 766-2854 and ask for Jon Kelso or Janine Blatt.

Janine Blatt, Jon Kelso, Kristin Chalmers
John Capizzo, Paula Mills, Lisa Whelan,

"Books to the ceiling, books to the sky.
My piles of books are a mile high.
How I love them!
How I need them!
I'll have a long beard by the time I read them."

Frances M. Clark, passed away September 25, 1986. The Last remaining member of Ladies Auxiliary of the American Legion, Randall-MacVane Post #142. (Earl MacNeil Randall Post).

Most of us present here remember "Faffy" for her pleasant, warm personality and gentle ways. Other of us will remember her as a member of the proud Ladies Auxiliary of the American Legion of yesteryear. Devoted to their Post and Community.

"Faffy" is remembered as on the the "Poppy Girls" on the corner selling her Poppies on Legion Poppy Day. They all looked proud in their caps and capes.

And we will always remember the wonderful dinners of roast turkey or roast beef "Faffy" and her Auxiliary Ladies would prepare and arrange on those Special Legion Days.

How shall any among us forget "Faffy" walking with her faithful cane, down the road to the Cock-eyed Gull for her moments of social contact and cup of tea and a doughnut.

"Faffies" death brings an end to an era known for its faithful and steadfast women; proud supporters of their men of the American Legion. I am quite certain she would be pleased to be remembered with such proud ladies as her near and dearest friends:

Frances M. "Faffy" Clark, a gentle, caring and loved women, numbered among a group of outstanding women of her era. She is missed by many who knew her. Truly a Lady of distinction.
