Donations to this months printing of the STAR were received from
Gene & Kaye Taylor, PINA and Anon. I, II, and III. Thank you all.
As the STAR goes to press, the high revaluation figures for Islanders, the perceived inequities and discrepancies, and talk of how best to react are certainly the topic of many discussions. Individuals are appealing their assessments, and groups are forming to assess options. PINA has talked with City Councillors and other City officials in an attempt to let them know our concerns and to facilitate the appeal process.

A City Council workshop was held on Monday, June 24, to inform Councillors of options for Peaks Island waste treatment in light of the Wright-Pierce study. The meeting was open but public comment was not invited. There will most likely be a public hearing before City Council sometime in mid-July. Watch the bulletin board for a PINA notice.

Peaks' beaches are again in the news as water quality testing continues. The relative pollution of the beaches fluctuates amazingly; the good news is that the most recent samples showed low bacteria levels. You can enjoy a cool swim; no one needs to remind you not to swallow the water. Phone calls by PINA and concerned citizens at last convinced the City to rebuild the ramp to Sandy Beach instead of merely closing it.

There will be a PINA Steering Committee meeting on Thursday, July 11, to plan the agenda for the Membership meeting on Thursday, July 25, at 7:30 p.m. at the Community Building. Please let John Carroll (2163), Laurie Cox (5588), Carol Eisenberg (3323), John Flynn (2525), Fay Garman (5054), Sam McCain (2162), Kay Taylor (2811), or Larry Walden (2185) know if you wish an item to be considered for the agenda. It is a PINA policy that no binding community vote will be taken on an issue unless it has been placed on the previously published agenda. Elections will be held at the July 25 meeting to fill four vacancies on Steering Committee. The ballot of nominees will be published soon.

Welcome back, summer Peaks Islanders! We'd like you to join PINA, if you haven't already: only two dollars per year, July to July. Membership forms will be available soon at Feeney's and at the meeting. We value your input; hope to see you on the 25th.

Dear Casco Bay Garage' Patrons,

Please note that trailers will be charged as a separate vehicle when brought into the garage. Trailers must fit within the confines of the yellow stripes of the parking stall.

Hourly parking rates have increased as follows:

85 Cents per hour, maximum $10 per 24 hour period.

Please be advised that we now have a waiting list for monthly parking. The list currently has 45 names and I expect little movement until Labor Day. If you were shut out this year you may want to start thinking about parking earlier next year.

As parking volume increases, it becomes very important that you take care in parking your vehicle. The staff has been instructed to become obsessive about cars straddling the yellow lines. If you happen upon a space that really is part of two spaces with a yellow line up the middle of it, don't take the bait. You will be penalized the same as the person who started the misalignment.

If you cannot find an unregulated space in the garage, please do not take it upon yourself to select a handi-cap or reserved space or your could be towed. See the booth attendant who will write a temporary pass for your dashboard to park in a reserved space. Drive Safely.

PEAKS ISLAND SENIOR CITIZENS

The Senior Citizens elected the following officers at their June luncheon meeting:
President: Gretchen Hall
Vice President: Blanche Wilder
Secretary: Sister Ann Augusta
Treasurer: Eleanor Goodwin

We will welcome anyone of the maturity of 55 years or more at our next luncheon on July 17 at noon. We will be bringing our own sandwiches. Dessert and drink are provided. Membership runs from July 1, 1991 to June 30, 1992. Dues of $2 may be paid whenever the Senior Center is open.

On a volunteer basis, the Seniors are trying to keep the drop-in center on the corner of Welch Street open as many daylight hours as possible. From 10 A.M. to noon, Monday through Friday, Fern Parker welcomes visitors while she prepares Meals-on-Wheels. Blanche Wilder or Sister Ann Augusta opens the Center from one to three on Mondays, and Jan Sullivan on Wednesdays. Drop in or call 766-2929 to volunteer an additional couple of hours a week. Or call Gretchen Hall at 766-3381.

We very much appreciate the volunteers who carry Meals-on-Wheels to people who need this help to stay in their own homes on the island. This service calls for an hour or so a week from ten volunteers ------- one each of five days to drive, and one to carry the meals into each home. Fern Parker would appreciate knowing of half-a-dozen people who would be willing to be on call when a driver's car breaks down or a runner needs a break.

Those who bring Meals-on-Wheels are sometimes the only people a recipient can count on seeing each day. An assortment of volunteers would make it possible for these often lonely shut-ins to have an occasional visitor who could stay long enough for a chat or a game of cribbage --- or who might help them connect with some of the programs and trips planned for senior citizens. Fern Parker would especially appreciate knowing of someone able and willing to help the brave soul who gets around by herself at home alone in a wheel chair --- help her get back into circulation occasionally.

REMINDER ........ Feaks Island School Reunion---

There will be another reunion at the Lions Club for islanders who lived on Peaks Island prior to the 70's. As there will be many coming from out of state the committee is looking for rooms to rent for the attendees if the Moonshell Inn and Keller's are filled. The reunion is being held on Sept. 28th & 29th. If you are willing to rent a room or two, please contact Reta Morrill 766-3385 or Marjorie Davis 766-2978.
FROM THE PEAKS ISLAND SCHOOL

On behalf of the 5th graders and staff of Peaks Island School, I would like to thank Doug MacVane, Joe Costello, and John Horton of the American Legion for their participation in our graduation assembly. The 5th graders wrote essays on America, which were judged by a group of senior citizens: First place went to Jacob Cooley; second place to Christine Voyer; and third place to Temma Stout. Trudy Howland shared her grandson Jacob's essay with the audience as did Christine and Temma.

Mrs. Roberta Deane presented dictionaries, which were gifts from the PTO, to the graduates. Our assistant principal, Janice Cambridge, presented the diplomas, and the students ended the program singing "What a Wonderful World," accompanied by Patricia Crowley-Rockwell.

We wish the students success and happiness in sixth grade. Special thank you also for the lovely roses for the staff, compliments of the American Legion. Have a wonderful and safe summer.

-- Martha Gross

To Jon Morris!!

Thank you for your support, sense of humor, and empathetic and caring ways. - M. G.
