Piano accompaniment will be provided by Matthew Perry, former pianist with the Portland Symphony Orchestra. Senior Citizens

Suddenly it's summer on Peaks Island, with all the mad whirl of seeing your friends at the week-end fairs, beginning with the Senior Citizen Fair at the Community Center, on June 27, already past when you read this.

Annual dues, now $3, may be paid at the Senior Center any time during June and July. To ease the problem of those of us who have a problem stretching our income, we also voted that contributions of time and effort were of more value than money, the way things are today. Volunteer time, to have the Senior Center open as much as possible, is particularly appreciated. As it is now, the only sure time that dues can be brought to the Senior Center is between ten and eleven in the morning, five days a week. On Monday and Wednesday, between one and three, a volunteer is likely to be there.

Maps of the Peaks Island Indian Trail are available at the Senior Center, for a donation, as well as block print correspondence cards crafted for Peaks Island; there are also sketches of earlier Casco Bay boats printed for use in correspondence.

When it is open, the Senior Center is available also as the first place from which to call the taxi, as well as a place to sit down in inclement weather.

Sign-up sheets for Portland Recreation Department adult tours are to be found at the Senior Center. These day trips to various neighboring points of interest, using a Portland city van, are available on a sign-up basis to any interested adult, with priority for senior citizens.

Anyone interested in volunteering an occasional hour or so of time to keep the Senior Center open may get in touch with Gretchen Hall at 766-3381 or find her at 20 Lower A Street.

The monthly meeting of the Peaks Island Senior Citizens is scheduled for July 20 at noon, with luncheon to follow. Keep your ears and eyes open for particulars.

Friends of Ruth Woodbury will be interested to learn that she has moved to a retirement home in Connecticut, with her dog and cat. Her address is: Apt. 2201, 150 Cook Hill Road, Cheshire, CT 06410.

Dick and Phylis LaClair are returning to home base on Peaks Island.

Many services are available at the clinic. call 766-2929 for information or to make an appointment. In the event of an emergency, please dial 911 first.

Thank you to the seniors and others who held a successful bake sale for the Peaks Island Health Center. And to all those who participated in our "Healthly Saturday".

THE FIFTH MAINE REGIMENT COMMUNITY CENTER invites you to an Open House on Sunday, July 5th from 1 pm to 4 pm. Our guest speaker will be Rep. Herbert Adams, who will talk on "Capture of the Caleb Cushing: The True Story of the Rebel Raid on Portland Harbor, 1863" or "How to Raise Hell & the Price of Fish". Everyone is welcome. We will be having on sale "The Fifth Maine Regiment Building: A History" recently written by Lyn Sudlow.

Thanks to Helen Young and her six volunteers the building will be opened daily from 1 to 3 - except when there are special events occurring at The Fifth Maine.

For those who missed our Pancake Breakfast on July 28th, there will be two others - July 26 and August 23 from 7:30 am to 11:00 a.m.

Our annual bazaar will be on July 11th starting at 10:00 a.m when coffee and muffins will be available in our dining room. Lobster rolls and other sandwiches will be served at 11:30 a.m. In addition to our regular tables Steve MacIsaac and his crew will be having several amusement stalls for the young people while Mary Ann Sanford and her committee will be providing the ever-popular grab bags. As usual, the profit from this event will be for the continued renovations of our historic building.

We will be having our Arts & Craft Show on August 2nd. Tables are available for rental. Please contact Peg Harmon for details.
Dear Casco Bay Garage Patrons,

As parking volume increases, it becomes very important that you take care in parking your vehicle. The staff has been instructed to be vigilant for cars straddling the yellow lines. If you happen upon a space that really is part of two spaces with a yellow line up the middle of it, don't take the bait. You will be penalized the same as the person who started the misalignment.

If you cannot find an unregulated space in the garage, please do not take it upon yourself to select a handi-cap or reserved space or you car could be towed. See the the booth attendant who will write a temporary pass for your dashboard to park in a reserved space. If you fib and tell us that there are no available spaces in the upper decks, you may be sorry later.

We have changed our policy with regard to motorcycle parking in the garage. We will allow up to two motorcycles to park at a time, only in the designated area at the lower level. Motorcycles are still prohibited from parking in the regular parking spaces. Motorcycles are not heavy enough to activate the gates, so you must have assistance from the attendant when you enter and exit the garage. The same parking rates apply.

Please resist the urge to ride your bicycle in the garage. It is not allowed because it is extremely dangerous. This applies to skateboards, rollerblades, windsurfers, etc.

Please note that the hourly rate schedule has changed as follows:
- The hourly rate for parking is now 50 cents per half hour with the first 1/2 hour free.
- There is no grace period after the first 1/2 hour. 31 minutes of parking = 50 cent charge.
- The maximum daily rate is $12 per day.

We wish to remind you that checks for monthly parking payments should be addressed to: Casco Bay Garage, P.O. Box 7525, Portland, ME 04112. Please, please remember to put your parking card number on the check. If you have two cards please include both numbers. If you have any questions regarding billing please call 879-1671 between 8:30am and 4:30pm. If you let your parking payments lapse, you must pay all back charges in order to be able to park again. You may also have to go to the end of the waiting list for the summer season. Please return your card to let us know that we should no longer charge you for parking!

Please remember that Casco Bay Garage is not responsible for theft from or damage to vehicles. The overwhelming majority of break-ins at parking lots and garages occur because high risk items are left in plain sight. A clever thief is nearly silent and usually knows when the garage staff is patrolling the garage. Remove radar detectors, CB radios, and any other tempting items from your vehicle when you park. If you see children in the garage that are not accompanied by adults or adults that are acting suspiciously, please alert the garage attendant immediately.
