PEAKS ISLAND SENIOR CITIZENS

Thirty five Senior Citizens enjoyed pot luck at the Fifth Maine Community Center at noon on June 21st. Larry Gross of the Southern Maine Area Agency on Aging, and of the Maine Department of Human Services, explained how his agency made possible Meals-on-Wheels and special taxi rates for Seniors on Peaks Island.

With less federal and state funds available to support these activities, greater voluntary support from the community is called for. Those receiving the meals are also asked, if they can, to increase their contribution to the cost. SMAAA is making every effort to continue to make the meals available to the elderly and the disabled who may need them — without consideration of individual ability to pay. It is particularly important that anyone freshly home from the hospital receive the meals as long as necessary.

The July Pot Luck of the Senior Citizens will be held at noon on Monday, the 19th. This is the daytime event of the month for folks in their fifties and older, who may be on the island during the daytime. Watch and listen for location. There will be opportunity to pay dues of three dollars at the meeting. You may also bring your dues to the Senior Center any week-day, between ten in the morning and three in the afternoon.

The annual Lions Club lobster bake for Seniors will be at noon on August 23rd at a price of $11 for members only.

The Senior Center is available evenings and week-ends for committee meetings of a dozen people or fewer. These meetings may be cleared by calling Gretchen Hall at 766-3381.

To my Peaks Island friends.....

You will never realize how very much all of your thoughts, prayers, inquiries, phone calls, flowers, notes and cards meant to me while I was hospitalized at Maine Medical Center...Especially when you don't want to be there. Thank you all. Phylis (LaClair)

AND THANK YOU to the Peaks Island Lions Club for a special reference book Folklore of World Holidays, which will answer the many requests we get from adults and children about celebrations around the world. We were able to purchase this book with our Christmas gift from the Lions.

Of Special Note: This spring, John Moulton, a retired history professor who lives on Cousins Island, published Peaks Island: An Affectionate History. The Peaks Island Library has one reference copy and two that you may check out. Also, there are some copies available for sale, $25, at the library.

Book Discussion Group
This group will have a vacation schedule for the summer, so check with Roberta Deane if you would like to discuss One Hundred Years of Solitude by Gabriel Garcia Marquez at a time yet to be decided in July.

On Tuesday, September 7, at 7 pm, we will resume our First Tuesdays at 7 pm schedule, and will be discussing Women Who Run With the Wolves. It may take you the summer to read it. There are library copies available, but it is not yet out in trade paperback.

Thank You to Friends
Many thanks to Caralen MacKenzie Hicks, who has continued her care of the front of the community building. The cleaning, weeding and planting she has done certainly are appreciated by all. This year, Sidney Arnold touches the tub plantings regularly with his oh-so-very-green thumb, and they look wonderful. Even the deer thought so, but we hope they will find better feeding elsewhere soon and leave the pansy blooms alone.

THE MUSEUM OF NATURAL READING

The Museum of Natural Reading is open, and both adults and children may register for this 1993 Summer Reading Program. Details are at the library.

In conjunction with this program, we will have a FAMILY READ-ALOUD each Tuesday at 7 pm, beginning July 6. Bring a pillow, a blanket, or just yourself - wear PJs if you like. This is for the whole family. July 6, the Crowley-Rockwell family will be our readers. July 13, the Taylor-Crichlow family will read (we're hoping for a second rendition of "Charlene, the Chicken Queen," but they haven't promised yet). Other families are yet to be scheduled. Speak to Pat Crowley-Rockwell or Priscilla Webster if your family would like to read.

Also, if anyone would like to lead a sing-along at the end of the reading, speak to Priscilla. You know, the kind of songs families sing in the car or just anywhere. Nothing fancy. The weekly drawings for prizes will be done at this program.

PLEASE NOTE
We will NOT be changing to a summer schedule this year. The library will be open for its regular year-round hours, listed above.

PEAKS ISLAND BRANCH

Tuesday  2 p.m. - 8 p.m.
Wednesday  10 a.m. - 4 p.m.
Friday  10 a.m. - 2 p.m.
Saturday  9 a.m. - 1 p.m.
We’d like to welcome Toby Sargent to our Preschool Program.

We’ve been busy making authentic Peaks Island Jewelry collections from a wonderful box of donated buttons. We’ve also raised tadpoles to frogs and then set them free in their natural habitat and have been enthusiastically discovering all sorts of different insects and learning to understand and respect the different environments we all live in.

Our playground has been spruced up a bit...this is thanks to United Way and their Volunteer Project which linked us with wonderfully willing volunteers from L.L. Bean who spent a morning helping us to clean and prune. We’re also proud of our new playground sign...thank you Robert Van der Steenhoven, for your talents. As the sign states, please supervise your children in the playground at ALL times. You may have noticed that we have moved the slide...it was getting very hot in the direct sun...you may want to test it out before your youngster takes a slide on a hot, sunny day!

We’d like to thank the Junior League of Portland for awarding the Center a grant to pay for Lead Screenings on June 18...a joint effort between Portland Public Health, our Center and the Island Health Center. If you have a young child (recommended age is 1-6 years) who missed this screening, Portland Public Health can make it available when they are on the Island for the Well Child Clinic every other month. Please call Mary Ann Amrich, Coordinator/Portland Childhood Lead Poisoning Prevention Program, 773-6922 for more information about this. This is an ongoing collaborative effort as the Well Child Clinic takes place at the Island Health Center itself.

Every Wednesday, 10:15-11AM, our Community Playgroup continues for Infants/Toddlers and Parents to enjoy our playspace. Come and enjoy!

Bottle Drive continues at Feeney’s Market...over $150 has been credited to our account since last October...thank you!

PEAKS ISLAND FOOD PANTRY is located in the Center’s kitchen...many thanks to all of you who donated items to the Postal Service Food Bank Drive last month and many more thanks to all of the Post Office Crew who delivered them! Also thanks to St. Christopher’s Parish for the monthly contribution for the Food pantry. We are well stocked and here Mon-Fri 7AM-6PM for anyone who can use extra food items...simply stop in.

As school ends for the summer and we watch children transition from Preschool to Elementary to Middle to High School and on to graduation, it causes us to stop and reflect on the passage of time...some of us remember those High School Graduates as part of the Preschool Crew at the Child Development Center! Don’t forget to take some time to enjoy the wonders of childhood and the child within us all!

FIFTH MAINE REGIMENT COMMUNITY CENTER JULY EVENTS

We are pleased to announce that the Peaks Island Historical Society is now located in one of our rooms on the second level. Kim Macisaac and her crew have done an excellent job of redecorating and displaying Peaks Island memorabilia. We hope everyone will take the opportunity sometime this summer to visit this room to learn more about the history of our Island.

One such opportunity could be by coming to our Membership Reception on Friday, July 2nd from 5 to 7 pm. This event is opened to both existing and prospective members. Drop by to visit, enjoy the magnificent view and reminisce about Peaks Island.

For newcomers to Peaks Island, our building was erected in 1888 by the members of the Fifth Maine Regiment. The survivors deeded the building to Peaks Island in the 1950s, thus creating the Fifth Maine Regiment Community Center. The memorial hall has excellent Civil War memorabilia. Helen Young, chairman of our Volunteers, is hoping to obtain sufficient personnel so that the building will be opened to the public from 11 to 4, seven days a week.....except when the building has been rented for receptions.

Are you interested in playing cards? We are playing Military Whist every Thursday evening, starting at 7:30 pm. Everyone is welcomed. The charge is 50 cents.

Our annual FAIR will be on July 10th with doors opening at 10:00 am. Luncheon (lobster or chicken) will be served at 11:30 am ... and strawberry shortcake will be served (weather permitting) on the porch at 3:00 pm.

We will be presenting two programs in July on Tuesday evenings July 13th and July 27th. On July 13th, MaryAnn Sanford will show slides of her trip to Antarctica while on July 27th the Spring Point Museum will provide a program on the Recovery of the Snowsquall. Both events will start at 7:30 pm.

There will be a Penny Auction on Monday, July 19th at 7:30 pm and our monthly Pancake Breakfast will be held on July 25 from 7:30 to 10:30 am.

Our annual Arts & Craft Sale will be held on Sunday, August 8th from 11 to 3. If you are interested in renting a table for this popular event, please call Barbara Whitney at 766-2005 or Peg Harmon at 766-2634 to reserve a table.
NOTES FROM PEAKS ISLAND FRIENDS OF THE LIBRARY:

As you might have noticed, the Friends of the Peaks Island Library had a table at the recent (6/19) Street Fair and sold some book bags and aerial photos of Peaks to help earn money to support our library. But our biggest event of the year is coming up this month:
