It does not seem possible that this is the final issue of 1989. Many thoughts and memories come rushing into my mind as I reflect upon the year that is closing. I remember those September days ... the first days of classes ... when students and teachers were just getting settled. Now, after Fall and Winter have passed, here we are in Springtime eagerly awaiting the close of school ... and summer!

We have worked hard and learned well. Now we move on, but we will remember. Our memories are of the Halloween Carnival, baking cookies as refreshments after our Holiday Program, and the performance of Simple Gifts. We will remember the Martin Luther King, Jr. Program and Annie & Ginny bringing us lessons and activities via the Diversity Grant. Who won't remember David Neufeld encouraging us to be performers and authors via the Maine Arts Grant?

Vivid in our memories are the many volunteers who come weekly to assist us in our classrooms, publish books and materials, as well as accompanying us on Field Trips. Our Grandma Edie Burgess has become the most traveled of all Foster Grandparents in the City of Portland! We'll remember Ruth Sargent sharing her own story as an author and the parents who shared as Career Awareness participants. We'll remember all the folks who provided assistance in purchasing our stage curtain.

We'll remember Concerts, Field Trips, entertaining visitors, and Fireboat tours, and Llamas visiting our classrooms! I could go on and on!

The students and staff thank Susan Benner for having the stage area freshly painted in time for the arrival of our new stage curtain. It looks wonderful, Susie!

All of us at Peaks Island School wish to thank publicly, all of the many contributors toward the purchase of our stage curtain. Without the assistance of the Lions Club, the Legion and the Ladies Auxiliary of the Legion, we would have been unable to realize this dream. Thank you, one and all!

Peaks Island School will be saying farewell to a staff member this year. Mrs. Tubbs has asked to be transferred to a mainland school after four years here on the Island. We will miss her, but we expect to see her from time to time. We wish her well in her new position and echo her class by saying, "God bless you, Mrs. Tubbs!"

The staff here at Peaks Island School is very excited about the interest being taken in our library. Louise Capizzo and Marianna Rowe have been giving their time and talents to reorganize books and catalogs. New books have been purchased this year, giving us a good start toward replenishing our shelves with appropriate resource materials. Now the P.T.O. has taken the Library as its focus. We applaud their efforts! Once again we are encouraged and excited by the community commitment to our school. Thank You!
"Some Enchanted Summer" is the theme of this year's summer reading program which will get underway early in July.

June 21 10:30 a.m. "Owl and Hawk--Raptor Ecology". This is a show featuring owls and hawks at the Portland Public Library, Monument Square.

Don't forget to collect books for the booksale sponsored by the Friends of the Library. Drop your donations off at the library.

To My patients,

I informed the Board of Directors at the Islands Health Center that I would no longer be operating the Health Center after June 30th. It is with much regret that I make this personal decision. I will miss working with Fran Baker, Ginny LaCrow, and Cynthia Sargent at the Health Center as well as my regular patients. Arrangements are in progress for another physician to take over the practice-who that will be is not yet clear but an announcement will be made as soon as this is finalized. Any patients who would like to continue to see me in town can call 878-3700.

Sincerely,
Chuck Radis
